Committee Room, City Hall,
December 13th, 1920.

FORTY-EIGHTH MEETING. (Minority).

THE SPECIAL COMMITTEE ON RAILWAY CROSSINGS meets in the Committee Room, City Hall, on Monday, December 13th, 1920, at 4 p.m.
PRESENT: Alderman J.C.Wilson (Chairman) His Worship Mayor Little and Mr. Cauchon.

103. GRADE SEPARATION. (See pars. 11,31,51,68,77,91,102.)

Mr. Cauchon informally discussed with the Committee the several plans for Grade Separation, and the question of the Union Station as submitted in his report.

Mr. Cauchon pointed out that these questions were separate and distinct. Grade separation was essential.

His Worship the Mayor moves, and it is adopted, that Mr. Noulon Cauchon be appointed Consulting Engineer, and to act on behalf of the City in the Rectory Street subway matter.

Upon motion a Special Committee consisting of His Worship the Mayor, Chairman Wilson, the City Solicitor and Mr. Cauchon are appointed to take the necessary steps to secure an order respecting Rectory St. subway, and to confer with the Grand Trunk Railway with a view of endeavoring to arrive at an amicable and satisfactory agreement with respect thereto.

The Committee appeared unanimous in deciding to have the 3% grade and immediate action.

Upon motion the Clerk is authorized to arrange for an interview with the City Solicitor to-morrow morning at 10.30.

Upon motion the Committee adjourned.
